SUPPLIER QUOTATION

Apex Steels & Alloys (Synthetic Supplier)
Reinforcement steel supply • Commercial offer

QUOTATION NO.	AS/QUO/26-1104	**DATE**	04 November 2026
VALIDITY	30 days	**CURRENCY**	INR (■)
CUSTOMER	L&T; Construction (synthetic case study)	**RFQ REFERENCE**	LNT/PROC/STEEL/2026/017

1. Offer summary

We submit this quotation for reinforcement steel against the referenced RFQ, subject to the scope, commercial conditions and qualifications stated herein.

Item	Material description	Grade / standard	Quantity
1	Reinforcement steel bars, assorted diameters	Fe 500D / IS 1786	100 MT

2. Technical particulars

Parameter	Supplier declaration
Steel grade	Fe 500D
Standard	IS 1786
MTC / traceability	MTC stated available with each dispatch; batch-wise traceability declared.
Technical deviations	Purchaser verification is recommended; any unconfirmed evidence should remain pending review.

3. Delivery and logistics

Delivery commitment: Within 14 days from confirmed PO
Freight: ■1,000 / MT
Packaging: Bundled and tagged for identification; dispatch documentation to accompany consignment.

4. Price schedule

Description	Quantity	Unit rate	Freight	Tax
Reinforcement steel bars	100 MT	■55,000 / MT	■1,000 / MT	GST extra as applicable

Commercial note

Unit rate, freight and tax treatment are shown separately. Calculate and confirm final landed cost using the applicable quantity, tax rate and delivery terms before comparison. No unstated charges should be assumed.

5. Payment and validity

Payment terms: 30% advance; balance within 15 days of delivery
Quotation validity: 30 days from quotation date.
Price basis: Subject to stated inclusions, exclusions and conditions.

6. Supplier experience and references

Declared reinforcement-steel supply experience: 5 years
Evaluation cap: Maximum five (5) years for this synthetic exercise. Any declared experience above five years must be capped at five years for evaluation.
Comparable references: Industrial warehouse project (2024); commercial complex supply (2025)

7. Quality, support and warranty

Dedicated sales coordinator; quality claims acknowledged within 2 working days. Quality claims should include batch details and inspection records. Warranty and replacement obligations are subject to the final purchase order.

8. Declaration and acceptance

Information is provided for evaluation and is subject to verification. This quotation does not constitute a contract until accepted through an authorised purchase order.
